

Goodwill BridgePointe Services

Recycling Since 1930

When You Donate, You are Recycling

When you donate to Goodwill BridgePointe Services, you are helping to keep Southern Indiana clean! We consider ourselves the "original green company" since we've been recycling from the moment we opened in 1930.

Reduce - We all have items we no longer need. Instead of throwing those items away, donate them to Goodwill BridgePointe.

Reuse - Your unwanted items are given new life in our Goodwill stores; in return the sales of donated goods fund services.

Recycle - Items that cannot be sold in our stores are recycled and kept out of landfills. The revenue is also used to fund services.

Our Impact

- **3.4 million pounds** of items were diverted from local landfills last year through our recycling programs

Computer Recycling through Dell Reconnect

All 11 Goodwill BridgePointe stores in Southern Indiana accept computers and computer equipment - any brand, any condition - at no cost to the donor through the Dell Reconnect program. Donors are responsible for removing data from hard drives and storage media. Accepted items also include printers, scanners, cords, USB drives, fax machines & more.

For more information or for a list of accepted items, visit:

Cell Phone Recycling

Drop your old cell phones in your box of Goodwill donations. The revenue from recycling cell phones goes back to our services and they don't end up in our local landfills.
