

Goodwill BridgePointe Invites Your Unit to Join Our Good Turn for Goodwill Service Project!

January – February 2010

Earn Your Goodwill Patch and Help Hundreds in Your Community

The Goodwill Good-Turn Collection is a service project to benefit people who are served by Goodwill BridgePointe Services, Inc. Your donation will help us continue to provide services to children and adults with disabilities and disadvantages within 11 Southern Indiana counties.

All Participants Earn Patches

Every Scout who turns in 2-13 gallon “tall” kitchen trash bags full of donations will receive a black-bordered patch. We are again offering silver and gold bordered patches for super achievers who collect 25 and 50 bags. Plus, new for this year is a collectible blue “ghost” patch for every scout who collects 75 bags or who recruits a business to run a donation drive for Goodwill Bridgepointe.

How to Collect

You can collect items from family, friends, and neighbors! Take the items to a donation center listed below. Ask the donation attendant to list your name, unit number, and bag count on the sign-in sheet at the donation center. Black bordered patches will be given to the scout at the donations center, while silver, gold, and ghost patches will be distributed to unit leaders to present to their scouts. We will track each scout’s donations throughout the drive so that they can be rewarded for their cumulative total. Businesses interested in running a donation drive should contact our donations coordinator at 812-725-5483.

Unit leaders: Don’t forget to log your unit’s service hours at www.goodturnforAmerica.org
